PROFILE

Designer and art director from Universidad de los Andes with a background in fine arts. I work across branding, motion, and digital content, taking ideas from concept to final piece. As Account Director at FEED, I lead 15+ brands, which gives me a strong understanding of clients, briefs, and how creative work gets sold. Detail-oriented and curious about new ways of making.

EXPERIENCE

Account Director — FEED May 2026 – Present

- Lead a portfolio of 15+ brands, overseeing 120+ content pieces per month from strategy to delivery.
- Review and approve content calendars with the design team, ensuring visual quality and brand consistency across all accounts.
- Serve as main client contact: presentations, feedback, approvals, and new requests.
- Prepare monthly performance reports and turn insights into content adjustments.

Community Manager / Content Designer — FEED August 2025 – May 2026

- Designed and produced social content (posts, stories, video) for brands such as Berry Bloom, La Boutique de las Carnes, and LasAya Mosaico, following each brand's guidelines.
- Planned content calendars and tracked trends, formats, and audience behavior.

Creative & Art Director — Encanta 25 (academic project) January 2025 – May 2025

- Led concept, visual language, and narrative for the visualizer "Calabazas" and the music video "Desvanecer," directing a team of 5.

Community Manager Assistant — Dot Studios February 2023 – August 2023

- Supported social media content creation and coordination.
