PROFILE

Designer with professional experience in creative strategy, concept development, digital communication, and account management. Currently an Account Director managing 15+ brands, leading client relationships, strategic planning, and creative teams across multiple projects. My design background brings a strong conceptual and visual perspective to developing brand communication and digital content. Organized, proactive, and detail-oriented, with proven experience managing multiple clients, projects, and deadlines in fast-paced environments.

EXPERIENCE

Account Director — FEED

| May 2026 – Present

Manage a portfolio of 15+ brands, leading client relationships, strategic planning, creative development, and day-to-day account operations. Serve as the primary point of contact for clients, overseeing meetings, presentations, feedback, approvals, and ongoing communication. Develop communication and content strategies aligned with each brand's objectives, positioning, and target audience, while translating client needs into actionable creative briefs and strategies. Coordinate multidisciplinary teams across design, copywriting, content creation, and social media to ensure cohesive, high-quality, and timely deliverables.

Community Manager — FEED

| August 2025 – May 2026

Managed social media communication and content development for multiple brand accounts, contributing to content planning, creative concepts, copywriting, and digital communication strategies. Collaborated with creative teams to develop and execute social media content aligned with each brand's identity and objectives. Monitored social media trends, formats, and audience behaviors to identify relevant content opportunities and supported client accounts throughout the planning, execution, feedback, and approval processes.

Academic project in collaboration with the band Encarta 98 — Creative & Art Director

| January 2025 – May 2025

Led the creative and visual direction of a visualizer and music video, developing the project's concept, visual language, and aesthetic narrative across graphic and audiovisual production.

Community Manager Assistant — Dot Studios

| February 2023 – May 2023

Supported social media content development and coordination for digital platforms, including the research and curation of visual and audiovisual assets. Assisted with content planning and organization to maintain a consistent digital presence and support the communication objectives of the brand.
